

2018 CARNIVAL
STARSKATE (1 & 2), JUNIOR, INTERMEDIATE & SENIOR SKATERS
PARTICIPATION COMMITMENT FORM

The RPFSC Board of Directors is committed to produce its bi-Annual Carnival for Saturday, March 24, 2018. Our Carnival offers our skaters the opportunity to dress up, learn to work with others in group choreography and experience performing in a fun atmosphere. Your skater is invited to participate in our Bi-Annual Skating Carnival on March 24, 2018.

The Board has scheduled Carnival during Spring Break to minimize disruption to test and competition preparation during lesson time. To move forward with Carnival, we must begin the process in June 2017 of securing additional ice time for March 2018. Therefore, we are providing you with as much notice as possible for you to consider and plan for your skater's commitment to participate in Carnival during Spring Break next year. The Board will only move forward with securing additional ice if we are assured commitment from enough skaters by April 30, 2017.

Producing Carnival involves extensive off-ice and on-ice preparation. Off ice, there are costumes, promotions, and logistics done by our volunteers. On ice, there are practices to ensure sufficient preparation. While RPFSC will cover the majority of the costs to produce Carnival, a fee of approximately \$100 will be required of each participant to help offset costs for costumes, ice time and coaching fees.

We also ask that each skater's family contribute five hours of volunteer time to the Carnival. This is in addition to the annual volunteer commitment to the club. A \$20 credit will be given to families who complete five or more hours of volunteering for the Carnival.

What does a skater's commitment to Carnival entail?

Be available to attend on and off-ice practices from Monday, March 19 to Friday, March 23

There will be 1-2 hour practices scheduled for each day (dependent upon the level of skater) and we will attempt to schedule practice times that will be close to the skaters' skating schedule.

Participate in two performances on Saturday, March 24, 2018. (times are approximate)

- Carnival Show #1 - 9:00 am to 12:45 pm and
Carnival Show #2 - 5:00 pm to 7:00 pm

Pay a Participation Commitment fee of \$50 by April 30, 2017 and up to an additional \$60 by November 1, 2017

- The initial \$50 fee is non-refundable (unless it is determined that Carnival 2018 does not proceed).

We appreciate the extra effort from the skaters and their families and look forward to celebrating our skaters' and their families' dedication and hard work at Carnival 2018.

Please complete the attached form and return to our Information Desk during our lesson times by April 30, 2017 regardless of whether your skater is able to commit to participating in Carnival 2018. We will inform club members by May 15th whether Carnival 2018 will proceed or not.

Thank you from the RPFSC Board!
